Buford has suggested, Paul --

-- that I send you all of the information we have kept  
on persons who are on the confidential files of the Boy  
Scouts of America from our council.

Evidently there is a concern that if someone showed up  
and asked to see the files we would have to show them.  
I'm sure some of the information enclosed is already in  
your files; however, I am forwarding them just in case.

Hope this doesn't cause you too much inconvenience.  
Sincerely,

Dear Bob:

Last fall we had some correspondence concerning an individual by the name of Allen Lewis Fields. This individual was charged with sexual molestation crimes with scouts.

Have you received any information concerning the trial or the outcome? If he was convicted, we would like to have the sentencing which took place for our file. This will help to close this case and make certain that we can refuse registration in the future should it come from any council in the country.

Thanks for your help in disposing of this case.

## Scout Leader Charged with Sex Crimes

Allen Lewis Fields, 26, an assistant scoutmaster of Red Hill Lutheran Boy Scout Troop, appeared in Central Municipal Court Monday on charges he engaged in sexual activities with two of his scouts.

Judge Gary Ryan held the preliminary hearing at which Fields agreed there was sufficient evidence against him to go to trial. Fields will be arraigned Nov. 12 before Superior Court Judge Luis Cardenas.

Fields was arrested Oct. 15 by Tustin police who served a felony warrant on him at the El Toro Air Station. Fields is a Marine Sergeant.

Agent Jim Hein of the Tustin police said the allegations surfaced after one of the victims reported Fields had tried to tie him to a bed in Fields' home at the McFadden Village Apartments.

The boy escaped and told his mother, who called police. In-

vestigation revealed another scout had been a victim of sexual molestation and oral copulation.

The two boys are ages 12 and 13. Fields is charged with one count of sexual child molestation for the boy who made the allegations. The other 29 counts concern the other victim.

Fields was booked at Orange County Jail, where he remains on \$20,000 bail.

According to Deputy District Attorney Kaz Mekino, the victims claim Field took the boys into his home and used nylon straps to restrain them on the bed.

Hein indicated the district attorney's complaint charges Field with copulating with and being copulated by one of the victims.

Because of the nature of the crimes the 10 percent bail provision does not apply to Fields and he remains in jail.

He is due to enter a plea at the Nov. 12 arraignment before being bound over for trial.

Mekino indicated the prosecution will rely on the testimony of the young boys.

Dear Mr. Fields:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that BSA leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of leadership which the BSA seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA leader should be granted or reinstated.
